PT MANNA JAYA

"Exploring Trust, Spreading Integrity"

CO.

Client convenient and satisfaction is the main purpose in running the business. In achieving it, PT.MANNA JAYA who has 15 years of experience will continue and keep striving to be committed in giving the best service for client.

Indonesia has an area of more than 1.5 million square kilometers. This wide coverage surely needs infrastructures to play an important role in running the economic wheel stably and equally. Much development is needed in various parts of Indonesia, both in urban and remote areas. In this regard, PT. Manna Jaya has decided to build and develop a business that focuses on goods procurement and contranctor service to be able to contribute and participate directly to the community in increasing the economic growth of Indonesia.

**BUSINESS IS
CRAFTED BY
EXPERO
PROFESSIONALS.**

ABOUT COMPANY

PT. MANNA JAYA was established on March 2004 ,23 and based in Bontang, East Kalimantan. With 15 years of experience, PT. MANNA JAYA has been being excellent in providing the best services in the field of goods procurement (general supply for electrical, mechanical, and chemical) and contractor service. Therefore, PT.MANNA JAYA has cooperated with many large companies. In accordance with efforts to improve the economy equally, procurement services not only cover the Kalimantan region, PT. MANNA JAYA has expanded and continues to strive to reach various regions both locally and internationally.
